

Kick off the fall season and new Rush uniforms with adidas cleats and a 15% discount when you order them from soccer.com.

Sizing Tool

No need to guess the size as soccer.com has a 3-D online tool to help you find the best style and size.

The tool compares your current shoe, including brand and size, to the one you are considering and graphically shows the difference in width and length so you can determine the right size very quickly.

Look for this icon to find your fit and [watch this video](#) to see how the tool works.

15% off & 2-day shipping

Use the special Rush code, 126ADICL, to get 15% off when you check out.

Two-day shipping is automatic with footwear orders.

Customize

You can even customize your new shoes with your name, number or a few words. [Check out this video](#) to see how.

No risk

Free returns are standard, so no need to stress about making changes.
