

Texas Rush Soccer Club would like to congratulate Briana Woodall (U15 ECNL) and Emily Alvarado (U17 ECNL) for their selection to the Mexico Women's U17 team. Both players just completed a training camp in Mexico City ahead of the CONCACAF Championships later this month. They will play qualifying games against Haiti, El Salvador and the hosts Jamaica over the next 10 days. This event also serves as qualification for the U17 World Cup in 2014.
