

Congratulations to the U15 Kansas Rush Wolves Academy Girls for winning the U15 Kansas State Cup Championship Sunday in Topeka Kansas!

The girls beat a very good Sporting Blue Valley Rowdies team in the final 2-1 revenging a loss in last year's state cup final game that went to Penalty Kicks against the same team. The girls battled thru 5 games over 2 weekends winning all 5 games scoring 10 goals and giving up only 2 goals in those 5 games. "I have never been more proud of a team than I am this one. The girls have worked so hard for the last 2 ½ years to get to the point where they can call themselves State Champs, I am so happy for them. We have had a lot of ups and downs over that time period but their attitudes and work ethic has been amazing and I could not be more proud to be their coach" said Coach Randall Porter. The girls will now head to the Midwest Regional Championships in Dayton Ohio In June and represent the state of Kansas. Congratulations girls and best of luck at regionals.

The U18 Kansas Rush Wolves Academy also deserves a shoutout as they finished as Kansas State Cup Runners up.
