

Delaware Rush is off to a great start with the State Cup competition after winning three this past weekend. The U15, U16 (at right) and U17 girls all won their respective age groups and will represent Delaware and Rush Nation at the Region I Championships in Rhode Island, starting in late June.

The U15 girls beat CDSA Fusion 4-0. The 16's again had the better of CDSA winning their game 2-0. The 17's allowed the lone goal of the three winners but walked away with a very convincing 8-1 victory over CSA United Premier.
