

(03.16.11) The Rush Cup on the

Coast capped off another great weekend of soccer. Teams came down from states along the East Coast, ranging from North Carolina to Ohio and Connecticut, and for the first time since the fall were able to play outside due to the winter weather. The tournament provided perfect weather, and an amazing atmosphere of competition for all 114 teams. There were four Rush teams that were crowned Champions and four others were finalists which included the Maryland Rush Girls U17 Nike team. The Rush Cup thanks all its participants and looks forward to next year's event. (Pictured are the U10 VA Rush Academy White team who won the tournament.)
