

The 2011 U12 Rush Fest came to an end today in Albuquerque, New Mexico. The 5 day Festival concluded with teams playing their final game of the week in the morning. Colorado Rush (pictured at right) were the big winners on the day winning the championship game in both the Boys and Girls finals.

The Boys started the day with a 3-0 win over New Mexico which included a Barcelona-esque goal that left all coaches on the sideline calling it the 'Goal of the Week.' In the second final of the day, the Colorado girls would equal the boys 3-0 win total with their own victory over Texas Blue. Not to be outdone, the Colorado Swoosh girls would knock off Washington Nike to finish the week 4-0.

The combination of 3 undefeated teams and outstanding support, cheering and attitude over the course of the week, the Colorado Rush completed the trifecta earning the title of Rush Club of the Week and earning a signed jersey by Rush alum and current Colorado Rapids star Conor Casey.
