

(02.14.11) Braving a snow storm, close to 50 Colorado Rush student-athletes and their siblings converged on the Sylvan Learning Center in Highlands Ranch to take a practice ACT Exam. The official sponsor of the Colorado Rush CAP program, the exam was set up by Ann Smith, owner of the Highlands Ranch Sylvan. "I'm so impressed that so many student athletes would take this opportunity to improve their ACT score. These kids are clearly goal oriented and focused!" said Ann.

The demand for the exam was so great, that we had to add a second testing date. Each student taking the exam will be contacted directly by Sylvan to go over the exam and their score. Please visit our CAP page for more information on Sylvan and the services they can provide.
