

After winning the NFL's Punt, Pass and Kick (PPK) Tournament locally in Anchorage, Alaska, Julienne, a player with the Alaska Rush, moved on to compete in the PPK Team Championship in Seattle, Washington, kicking over a combined 240 feet to win the 14 to 15 girls age division! With that accomplishment, Julienne was given the chance to kick an exhibition field goal in front of 70,000 attendees during half time at the Seattle Seahawks game on November 27th. What a great reminder of what you can accomplish with some dedication and hard work. Julienne is in the running to compete in her age group at the Super Bowl in February!
