

The Director of the Congo Rush Academy, Rush Soccer's newest partner club in Africa, has announced the release of a new children's book, "[How the Tiniest Can Be Stronger than the Most Ferocious](#)". Proceeds from book sales will go directly to support the club. Funds will be used to help provide transportation to low-income players who need assistance going to and from training sessions and games. It will also be used to provide healthy snacks and meals to players who do not have access to nutritious food.

Book Description: Who can rescue the goose eggs from the wicked python? Will it be the huge elephant, with his deep trumpeting sounds? The ferocious lion with his long talons and loud roar? The gorilla, with the threatening pounding of his chest? Or can the lowly ant save the day? Find out what it really takes to be a hero.
