

Last Wednesday, February 8, the Rush Pikes Peak office closed for a very special event. In conjunction with Lewis-Palmer School District and Special Olympics Rush Pikes Peak hosted a special needs Soccer, Bocce Ball, Ice Skating and Cup Stacking event at Colorado Sports Center. Over 50 kids from the Lewis-Palmer School District Special Needs classes attended. The 4 groups rotated through all four stations during the morning, and a great time was had by everyone!
