

(02.28.11) Rush Pikes Peak's latest program **Atlético Rush Club de Fútbol** hosted the first Latino Soccer day in Colorado Springs on February 27th. Over 40 young Latino kids aged 5-10 came out for a fun afternoon of soccer. Rush brought out Spanish and English speaking coaches, the weather was perfect and every player got a free soccer ball and Rush Sillybandz.

Many players signed up then and there for the Rush Pikes Peak Developmental Program and we are excited for March 8th when the next session promises to increase the numbers further.
