

The U18 Women's National team found itself in unfamiliar territory in their opening game of the 10 Nations Tournament in La Manga, Spain over the weekend, down 3-0 to Sweden in the second half. Rebecca Rasmussen (left) and Jordan DiBiasi from Colorado Rush are in Spain with the 18's and it was Becca who started the comeback for the Americans when she scored the first goal for the US and her first ever international goal! The US would score three times in 25 minutes to finish the game tied at 3-3.

The 18's take on Norway on March 10th and France March 12th to wrap up the tournament.

Congratulations Becca on your first goal (and hopefully first of many more to come) with the National Team!
